

"We are delighted with our new / refurbished windows. You went that extra mile to do the perfect job and to finish on schedule."

Mr G D, Perrers Road, W6

"The standard of the work carried out is excellent & it has been a pleasure having your team working in our home."

Ms KG, Cumberland Road, Kew TW9

"What a beautiful product! Thank you so much for making my windows a work of art."

Mrs SP, Albert Road, Richmond TW10

Refurb-a-Sash

Traditional Timber Window Specialists

Clock Tower Road, Isleworth, Middlesex TW7 6DT

**Preserving the character
of your period home....**

Preserve the character of your home....

Refurb-a-Sash is a Certass accredited, London based, award winning company offering specialist advice and services for traditional timber sash & casement windows and French doors.

Services include: operational overhauls and draught proofing of existing windows, full or part replacement in single, double or triple glazing and renewal / reinstatement of originals, noise reduction with acoustic glass and guidance for listed building owners.

All products are produced by time served craftsmen faithfully replicating original features using traditional joinery methods, at our West London workshop. All selected timber is preservative treated, hand prepared and spray paint finished.

Overhauls

This service comprehensively overhauls your existing windows including rectifying common faults and problems such as draughts, rattles and sticking.

We re-balance, adjust the sashes & install new unbreakable cords, supply new retaining beads with integral draught excluders and fit new window furniture including key operated locks.

Upgrades

Our intermediate service incorporates the full overhaul service although includes new hand built Sash Frames (and Sill renewal if required).

Includes upgrading to double glazing and / or noise control glass plus optional preparation and repainting of the existing Box Frames to match.

Renewals

A complete 'back to brick' replacement window including the Box Frame, Sill and Sashes – all manufactured to match your existing windows and fully compliant with current Building Regulations.

"The whole experience has been very positive – painless, on-time and efficient. Everyone we have met in connection with Refurb-a-Sash has been professional, helpful and friendly."

Mrs Wetherby, SW6
